

Programs for Visitors with Dementia at The Cloisters Museum & Gardens
January–April 2016

Sights & Scents

You are invited to a special program for individuals with dementia and their family members or care partners. Enjoy the serenity of enclosed gardens and peaceful views of the Hudson River and Fort Tryon Park. Let treasures from European manors and sacred spaces transport you to the world of the Middle Ages. Connect to the beauty of the marvelous works of art and gardens through discussion, collage-making, and multisensory exploration.

See the reverse for schedule.
