## **Frequently Asked Questions: Art Adventures Camp at The Met**

### **What will my child do all day at The Met?**

Art Adventures Camp is a blend of art education, engagement, and exploration through a mixture of gallery time and studio time. Campers will spend approximately half their time in the galleries looking at original objects and engaging with them through conversation and sketching. The other half of the time, campers will be in the art studio exploring different artistic mediums by making original works of art inspired by the objects, cultures, and ideas they encountered in the galleries. Weather permitting, campers will have an hour-long lunch break in Central Park, where they can eat, play, and enjoy the outdoors.

### **What is behavioral policy for camp at The Met?**

We strive to create a safe and fun learning experience for all children in our programs. We expect students to be respectful and kind at all times and to always follow safety and behavioral rules set by class instructors and Museum staff. If a problem arises, instructors will first review rules and the situation with the student, and they will follow up with the parent or guardian if the problem is not resolved. The Museum reserves the right to withdraw a student from camp due to behavioral concerns without a refund.

### **May my child bring a friend or sibling to camp?**

Camp is limited to those who are enrolled. No additional children may join any of the days. Siblings are welcome to attend the exhibition celebration.

### **What happens to the artwork my child creates?**

Participants will take home all artwork created at the Museum. Camp instructors may request that artwork is kept safe at the Museum up to two weeks after the last day of camp.
